# PROJECT AURORA@COVID19-EU

*Articulating a Unified Response to the COVID-19 Outbreak Reconstruction  
After Loss in Europe*

**Funded by  
the European Union**

*An International Erasmus+ Project*

# Participation in the 1st European Grief Conference (EGC)

AURORA team was present in the 1st European Grief Conference organized by the Bereavement Network Europe, Danish National Center for Grief and Irish Hospice Foundation, in September 2022, in Copenhagen, Denmark.

This was an optimal opportunity to share the first project result with a community of people interested in grief and bereavement care.

# Training course hosted in Denmark

The first training session for psychologists took place from September 24 to 29, 2022. A total of 13 clinical psychologists from the team were trained: 7 from Portugal, 3 from Spain, and 3 from Italy.

The Learning local training activity (LLTA) in Denmark for clinical psychologists was of key importance to help prepare the subsequent Piloting Phase: namely, the local training events for other professionals and the clinical study with bereaved people.

# Second Consortium Meeting

Consortium Meeting 2 was held in Madrid, Spain, on the 25th November 2022, hosted by UNIVERSITY OF COMILLAS.

All the partners were presented: UMAIA, CHUSJ, Comillas, Unisalento and DNCG.

From this meeting resulted a detailed action plan, including task description and assignments for responsible partners and due date of completion.

# Participation in the 5th Congress of the Order of Portuguese Psychologists/XIII Ibero-American Congress of Psychology.

The AURORA project, represented by its partner CHUSJ, was present at the 5th Congress of the Order of Portuguese Psychologists/XIII Ibero-American Congress of Psychology.

It was an excellent opportunity to disseminate the project to a wider audience and to deepen the exchange of knowledge and scientific interactions.

# Grief support is a responsibility of all!
